### **Opportunities for Employment**

Facial Makeup Artist, Skin Care Specialist, Theatrical and Platform Artist, Product Demonstrator, Manufacturer's Representative, Spa Skin Care Provider, etc.

### **Teaching Methods Include**

Lectures, Demonstration, Practical Work, Videos, Role-Playing, Games, and Timed Drills.

Each student receives a set of books, Pennsylvania State Laws, and course handouts. Instructors record the grade the students earn in each exercise, lesson drill, and subject exam. Students also take comprehensive exams at various intervals during their training. In addition to their workbook exercises, students are graded on other factors such as attendance, appearance, and attitude. Instructors periodically discuss the student's progress with them.
